1. EXECUTIVE SUMMARY

1.1 INTRODUCTION

Mahatma Gandhi Arts & Commerce College was formally opened on 21st July, 1990 at Parseoni, a small tribal village at the outskirts of Parseoni. The college is recognized and fully aided by Government of Maharashtra and permanently affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. The college is included under section 2(f) and 12(B) of UGC Act 1956. The college offers B.A. B.Com. B.B.A. & M.A. Degree (Economics, Sociology and Marathi), M.Com. Mahatma Gandhi Arts & Commerce College is today, the leading centre providing quality education to the tribal and rural students and empowering them to meet the challenges of 21st century.

Mahatma Gandhi Arts & Commerce College from its humble beginnings in 1990. The college had to face many problems but it grows further. The able leadership, strong determination and untiring efforts of President Shri. Ranjeetbabu Deshmukh helped us overcome all this and achieve the present status of the college.

Logo: 'Vidhya Param Bhushanam'

Aim: To impart higher education for all-round development of the students of rural and tribal area.

Vision

- To develop the college into a center of excellence in education.
- To extend the benefits of quality education to the tribal, rural and under- privileged sections of society.
- To promote Higher Education in the remote and Economically Backward area
- To create culture, moral, values and national integration

Mission

- To develop the all-round personality of students and make them better human beings and responsible citizens of India.
- To Promote quality education in UG programme of Arts & Commerce college
- To provide health services to the students and people of rural/tribal area.
- To develop scientific attitude among the students

1.2 Strength, Weakness, Opportunity and Challenges(SWOC)

Institutional Strength

- **Experienced Faculty:** The college boasts a highly qualified and experienced faculty, contributing to quality education and research.
- **Well-Established Infrastructure:** Modern infrastructure, including state-of-the-art laboratories, library, and classrooms, supports effective teaching and learning.
- **Research Facilities:** The institution provides excellent research facilities, encouraging faculty and students to engage in innovative research projects.
- **Student-Centric Approach:** A focus on student development and support services, including counseling and career guidance, enhances the overall student experience.
- **Diverse Course Offerings:** A wide range of academic programs and courses cater to varied student interests and career goals.
- **Industry Collaborations:** Collaborations with industry partners facilitate practical training and internships for students.
- **Alumni Network:** An active alumni network strengthens connections and supports career development opportunities for graduates.
- **Quality Assurance Mechanisms:** An effective Internal Quality Assurance Cell (IQAC) ensures adherence to quality standards and continuous improvement.
- **Financial Stability:** Sound financial management and diversified funding sources contribute to the institution's stability.
- **Community Engagement:** Involvement in community outreach and extension activities fosters social responsibility and contributes to local development.
- **Surrounding :** College is located in rural and natural atmosphere

Institutional Weakness

- **Lack of Curriculum Autonomy:** Some academic programs may have outdated curriculum, requiring revision to stay current.
- **Faculty Shortages:** Shortages in certain departments may lead to increased workload for existing faculty members.
- **Limited Research Output:** Despite research facilities, research output may be limited due to inadequate funding or faculty research engagement.
- **Infrastructure Maintenance:** Maintaining and upgrading existing infrastructure could be a challenge due to budget constraints.
- **Faculty Development:** The need for consistent faculty development programs to keep up with changing pedagogical approaches.
- **Limited International Exposure:** Opportunities for international collaborations and student exchanges may be limited.
- **Student Engagement:** Engaging students in extracurricular activities and promoting a vibrant campus life may require improvement.
- **Assessment and Feedback:** The institution may need to enhance its assessment and feedback

mechanisms to ensure effective learning outcomes.

- **Administrative Bottlenecks:** Administrative processes could be streamlined to reduce bureaucratic hurdles.
- **Funding Dependency:** Overreliance on certain sources of funding may pose financial risks in the long term.
- **Students Background** Students are from rural/tribal region and economically weaker background and many students are first generation learners.

Institutional Opportunity

- **Digital Learning:** Embracing online education and blended learning can broaden the reach of programs.
- **Research Grants:** Opportunities to secure research grants from government agencies or private organizations.
- **New Courses:** Introducing new, in-demand courses and certifications to attract more students.
- **Global Collaborations:** Establishing partnerships with foreign universities for student and faculty exchange programs.
- **Industry Partnerships:** Strengthening ties with industries to enhance employability and research opportunities.
- **Skill Development:** Offering skill development courses and certifications to cater to the growing demand for skilled professionals.
- **Government Initiatives:** Leveraging government initiatives for educational institutions, such as 'Skill India' and 'Digital India.'
- **Alumni Engagement:** Enhancing alumni engagement for fundraising, mentoring, and networking opportunities.
- **Community Outreach:** Expanding community outreach programs to address societal needs.
- **Sustainability Practices:** Implementing sustainable practices, such as eco-friendly campus initiatives, to align with global trends.

Institutional Challenge

- **Competition:** Facing competition from neighboring institutions for student enrollment and faculty recruitment.
- **Regulatory Changes:** Adapting to frequent changes in educational regulations and accreditation requirements.
- **Budget Constraints:** Managing the budget amid rising costs of infrastructure maintenance and faculty salaries.
- **Technology Adoption:** Keeping up with rapid technological advancements in education.
- **Faculty Retention:** Attracting and retaining talented faculty members in a competitive job

market. Student Diversity: Catering to diverse student populations with varying learning needs.

- **Assessment Compliance:** Ensuring compliance with assessment and accreditation requirements. **Changing Job Market:** Preparing students for a rapidly evolving job market and changing employment trends.
- **Pedagogical Innovation:** Encouraging faculty to adopt innovative teaching methods and tools.
- **Mental Health Awareness:** Addressing mental health challenges among students and providing support services.

1.3 CRITERIA WISE SUMMARY

Curricular Aspects

- The teaching-learning activities in the college are student-centred. Curriculum delivery and academic planning is systematically managed through the hierarchical and decentralized administrative set up. The principal prepares the academic calendar in consultation with all teachers of the college which includes the action plan for teaching, learning, evaluation, co-curricular and extension activities in alignment with affiliating university curriculum.
- Regular meetings of the heads of departments and faculty members with the Principal are conducted to plan and discuss the course of action and strategies to be followed for effective curriculum delivery and implementation.
- Apart from complying with the academic schedule of the university, the institution has evolved its own itinerary that embodies curricular, co-curricular and extra-curricular pursuits for every semester. The institution follows a semester pattern adhering to the Choice Based Credit System.
- Value added and certificate courses further cater to the needs of students for skill-based education. Faculty also keep in touch with members of the board of studies in suggesting the revisions in syllabus. They send their suggestions to the members of the board of studies. The syllabus of the programmes is designed by the affiliating university. However, teachers design the syllabus for the certificate value added courses conducted in the college.
- In order to integrate and promote cross-cutting issues relevant to gender, environment and sustainability, human values and professional ethics, mandatory foundation courses such as Indian Constitution and Human Rights, Environment and Public Health, Science and Society, Culture and Diversity have been introduced by the affiliating university as non-core papers. These enhance professional competencies and inculcate gender, human values and environment sensitivity, thereby leading to the holistic development of the students.
- The feedback of students on curriculum, teachers and facilities is collected, analysed and the necessary changes are made on the basis of the feedback.

Teaching-learning and Evaluation

- The college follows the admission process in accordance with the RTM Nagpur University guidelines. The college prepares an Academic Calendar as per the Academic Calendar of the University and teachers prepare a teaching plan for effective delivery of curriculum.
- The college has a well-defined admission policy which is inclusive of reservation guidelines as per the Maharashtra State Government Policy.
- Affiliating university norms and state competent authority are respected for the admission of students from various reserved categories.
- The methodology of teaching is designed to meet the different needs of learners from diverse socio-economic backgrounds and the different objectives of the courses. The college has capable and dedicated faculty members from diverse backgrounds.
- The college adapts and practice student-centric and experiential learning methods.
- ICT tools complement traditional teaching-learning methods and the institution is keen on providing innovative teaching methodologies for enriching the learning experience.
- The CO's and PO's are defined by the affiliating university and the attainment of these are obtained based on the direct and indirect assessment tools. The college ensures good performance from students through outcome-based education by calculating attainment levels of outcomes. robust, covering all the learning domains.
- The institute has adopted the Continuous Internal Evaluation (CIE) mechanism prescribed by the university to achieve academic excellence. The mechanism of internal assessment is transparent.

Research, Innovations and Extension

- The innovative ecosystem of the institution is created through the functioning of various Cells like Research and Development, Entrepreneurship Development and Intellectual Property Rights.
- 15 Workshops, Seminars and Webinars have been organized to facilitate faculty members and students acquired research skills which has resulted in 55 paper publications, 06 conference proceedings and 18 papers in UGC approved journals.
- Research & Development Cell conducts sessions on the importance of patents, copyrights, research tools and methodologies in research.
- The spirit of teamwork, collaboration, leadership skills and social responsibilities are promoted through the Lifelong education & extension cell, Grievance Redressal Cell, Anti Ragging committee, ICC and NSS.
- To strengthen community relationships and Service & Educational goals the institution conducts a series of activities through various cells such as LE&E, NSS, Environment Club, throw light on the identified core values of the college.
- College has excellent collaboration with academic and industrial 21 MOUs to provide multi-dimensional exposure to the students.
- During the assessment period, 58 extension activities have been conducted through these cells which edify working together, respecting differences towards achieving a common goal and ultimately being a responsible citizen of the country.

Infrastructure and Learning Resources

- The college infrastructure is created in accordance with the needs of the programmes and courses conducted.
- The college campus has sprawled over and 2.1 acres with a construction area of 2351.27 sq.mts. further extended in this year (120.00 Sq.feet).
- All the required infrastructural facilities are provided in the college. The college has established a well modern equipped computer lab with a high speed broadband internet connection.
- Our College is well equipped with computers, printers and internet.
- The college has well ventilated and spacious classrooms along with facilities like modern language lab, fans, lights, benches, appropriate white boards, ICT enabled audio-visual aids.
- The college has power back up facility is provided to all departments and office including class rooms, library, study room , seminar and conference halls, and academic departments.
- The two computer labs with 45 computers and one language lab with 10 computer and 5 computer in Library are available for students' use. In addition, 05 computers are available for administrative and other purposes.
- The college caters to the requirements of Divyangjan students by providing ramps, wheelchairs and separate restrooms.
- The library concedes the significance of functioning in a highly professional manner in the best interests of the academic community. It is fully automated with digital learning facilities. Reference sections for teachers and students and the availability of 05 e-journals; 10 e- Books; 10754 Books as on date and their remote access makes the library user-friendly.
- The seminar halls, IQAC, NSS office, gymnasium, playground, girls common room, boys common room and other necessary facilities are made available to the students and the staff. The infrastructural facilities are well maintained and the required agencies are hired from time to time to maintain the same.
- Indoor games facilities for students and faculty members are also available. A well maintained, hygienic canteen operates during the working hours of the institution. The college takes direct initiative in the maintenance and service of infrastructure and support facilities.
- The management employs a centralized system for the campus to ensure effective maintenance and upkeep of the infrastructure, facilities and equipment. A four-wheeler, two-wheeler and cycle parking

lot is also available. For better surveillance and security, a total of 16 CCTV cameras have been installed in all the floors, all classrooms and in vital areas.

- The IT infrastructure of the college has been improved consistently. The cleanliness of campus, conservation of plants and maintenance of the facilities is taken care of by the administration.

Student Support and Progression

- The college conducts a good number of co-curricular and extra-curricular activities throughout the year through NSS, Sports and Cultural Cells and Extension Cell.
- As a form of extrinsic motivation, the college employs scholarship schemes. The college facilitates the process of applying for the scholarship provided by the Government of Maharashtra for Researved Category Students.
- Financially weaker students are provided with scholarships and institutional fee waivers.
- Student mentoring is implemented to provide them with proper guidance on academic and personal matters.
- The college assertively conducts student-centric activities for their overall development. The academic progression of students is monitored through mentoring and counselling sessions that are provided. The college organizes workshops in resume building, mock group discussion sessions, hone the interview and soft skills to the job aspirants to train them to be thorough professionals. It takes responsibility of equipping the students with placement training sessions and life skills and has conducted 09 capacity building and placement training programs during the assessment period.
- As a result, the number of students placed in reputed companies with good CTC has increased steadily over the years, and 39 students have been placed and 220 students have progressed to higher education during the assessment period.
- Special coaching is provided for the students to take up the competitive examinations at the state/national level.
- The Students' Grievance Redressal Committee, Internal Complaints Committee and Anti-Ragging Committee have been established for timely redressal of their grievances.
- The diverse activities help in inculcating leadership skills, organizing abilities, accountability and public relations skills among the students.
- Besides, the institution has an active, enthusiastic and registered alumni association which extends the

required support in facilitating current students in their future endeavors.

- Alumni Association meets are conducted every year and the alumni also participate in activities of the college.
- The student council is also formed according to the guidelines of the affiliating university.

Governance, Leadership and Management

- There is a involvement of the top management, the head of the institution, heads and coordinators of the departments to achieve defined strategic goals, educational objectives, vision and mission of the college. Good governance is ensured through the formulation of various policies of the institution.
- The college has hierarchical administrative setup with functional autonomy. The Management decides the broad policies of the institute and the College Development Committee (CDC), the Principal, IQAC, heads of the departments and chairpersons of the various committees along with the administrative staff work cohesively to implement the policies of the management.
- College Development Committee (CDC) is constituted as per the guidelines of the Maharashtra Public University Act, 2016 in which various stakeholders, nominees and the management representatives are present. They provide the proper guidance, motivation and direction for the overall performance and functioning of the college.
- The Principal executes the policy decisions taken by the Management through its staff to maintain and achieve the goals and objectives as laid down by the management.
- The Strategic Plan is in place to ensure smooth and effective execution of the policies. The institution had made further inroads in executing its strategic plans, as shown by key performance metrics linked to the principal goals specified in the strategic plan, namely academic excellence, research endeavors, Industry participation and integrated approaches for sustainability.
- The leadership of the college has involved the representatives of various stakeholders at various levels to ensure the interaction with stakeholders, protection of their interests and constructive contribution by the stakeholders.
- The college has implemented e-Governance in finance and accounts, administration, students' admission and examination. Transparency in the Governance System and effective leadership have resulted in fostering trust of the employees.
- The management approves the expenditures on maintenance of the language laboratories, library, gymnasium, departments and other infrastructural facilities.
- Through its excellent welfare measures for the teaching and nonteaching staff, the college values all of its employees' contributions to its growth and enhancement. The college list of welfare schemes includes: leave, special permission for various reasons, medical leave, group insurance (for the students and faculty as well), financial support for higher studies and research activities.
- Internal and external audits of the college are conducted regularly. The performance appraisal of the

staff is maintained and the staff is promoted on the basis of this performance appraisal.

Institutional Values and Best Practices

- The college has girls' and boys' common rooms as a common facility and separate provisions/facilities are available for differently abled (Divyangjan) students.
- The college organizes various sensitization programs through the Task Force for the Protection of Girls at the College Campus.
- The college takes adequate measures to organize the programmes related to gender equity promotion, social responsibilities, national festivals, and birth/death anniversaries of great personalities.
- The institute promotes the use of renewable energy (solar), and LED bulbs.
- Solid, liquid, and e-waste management processes are well-structured. The Institute has a rain water harvesting mechanism and harvested water is used for maintaining green initiatives of the institute.
- The college follows green practices such as tree plantation, land scaping, plastic free campus and partial paperless work to promote environmental awareness and sustainability.
- Institute is performing ISO Audit and green audits from external agency annually.
- A small Nursery of plants is created with the help of Students and faculty.

Institutional preparedness for NEP

1. Multidisciplinary/interdisciplinary:	Multidisciplinary/ interdisciplinary subjects were present in the syllabus of affiliating university. The college has conducted Value Added Programs to make students aware of the latest happenings in the education field.
2. Academic bank of credits (ABC):	Recently RTMNU, Nagpur has taken out notifications for implementation of NEP syllabus and creating login IDs of Academic bank of credits (ABC).
3. Skill development:	The college focuses on the skill development of the students, and for the same many capability enhancement programs are conducted.

4. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course):	During the pandemic, all the events were conducted online along with a regular teaching-learning process. For the integration of the Indian Knowledge System various days are celebrated and cultural events are conducted.
5. Focus on Outcome based education (OBE):	The college has defined various outcomes and formulated a mechanism for calculating the attainment of various outcomes.
6. Distance education/online education:	During the pandemic teaching-learning process is carried out in online mode only but college is yet to take steps regarding distance/ online education.

Institutional Initiatives for Electoral Literacy

1. Whether Electoral Literacy Club (ELC) has been set up in the College?	Yes, Under the Students Council and Extension Activities Cell. Our college monitors this. There is no formal ELC established in the college.
2. Whether students' co-ordinator and co-ordinating faculty members are appointed by the College and whether the ELCs are functional? Whether the ELCs are representative in character?	We are currently in process as per NAAC guidelines. As we establish, we will also appoint a representative.
3. What innovative programmes and initiatives undertaken by the ELCs? These may include voluntary contribution by the students in electoral processes-participation in voter registration of students and communities where they come from, assisting district election administration in conduct of poll, voter awareness campaigns, promotion of ethical voting, enhancing participation of the under privileged sections of society especially transgender, commercial sex workers, disabled persons, senior citizens, etc.	The National Voters Day program was organised to make the students for registering themselves with the EC. They were also made aware of the fundamental rights of voters in India through the NSS and Extension Activity Cell.
4. Any socially relevant projects/initiatives taken by College in electoral related issues especially research projects, surveys, awareness drives, creating content, publications highlighting their contribution to advancing democratic values and participation in electoral processes, etc.	The Constitution is displayed in college campus. Various awareness campaigns and workshops are organised. Students are encouraged to learn about democratic values and participate in electoral process at the local level.
5. Extent of students above 18 years who are yet to be enrolled as voters in the electoral roll and efforts by ELCs as well as efforts by the College to	Orientation and Awareness Programs are organised for them.

institutionalize mechanisms to register eligible students as voters.

4. Quality Indicator Framework(QIF)

Criterion 1 - Curricular Aspects

1.1 Curricular Planning and Implementation

1.1.1

The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Response:

Academic Planning and Curriculum Delivery

Our college is affiliated with Rashtrasant Tukdoji Maharaj Nagpur University, and we follow the curriculum they provide. To make sure students receive effective teaching, we have a well-organized process in place.

Planning Academic Activities: Every year, our Principal plans teaching, learning, and evaluation activities. We create a detailed academic calendar at the start of each year.

Faculty Involvement: Our Principal conducts meetings to organize lecture schedules and distribute syllabi to faculty members. Teachers are expected to complete their syllabi within the given time. If they need extra time, they arrange additional classes.

Department Involvement: Each department plans teaching and academic activities at the start of the year. We discuss teaching methods and strategies.

Focus on Outcomes: Our curriculum delivery keeps course and program outcomes in mind. We make sure that what students learn aligns with the goals of our programs.

Enhancing Teaching Methods

Academic Calendar: We create an academic calendar for the entire year, so everyone knows what to expect.

Teacher Plans: Every teacher prepares teaching plans to guide their classes.

Interactive Teaching: We use smart classrooms and encourage interactive teaching methods.

Students often give presentations, mostly using PowerPoint, in all departments.

Student Interaction: We have discussions, counseling sessions, Q&A sessions, assignments, and group discussions to engage students.

Support for All: We provide mentoring for students, including tutorial and remedial classes for those who need extra help.

Practical Learning: Students work on field-based projects, write dissertations, and go on industrial visits. We also organize educational and industrial trips.

Computer Lab: We have a computer lab for students to use.

Orientation Programs: We organize orientation programs for first-year students to introduce them to the curriculum, evaluation methods, and extracurricular activities.

Effective Communication

Semester Details: Students receive information about the start and end of each semester, teaching plans, and exam schedules at the beginning of the year.

Syllabus Compliance: We communicate syllabus compliance to the Principal through Heads of Departments.

Flexibility: We maintain flexibility in teaching plans to adapt to any necessary changes. Regular Evaluation: We assess students' progress periodically according to university norms.

1.2 Academic Flexibility

1.3 Curriculum Enrichment

1.3.1

Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability in transacting the Curriculum

Response:

Since the aim of education is to make students responsible citizens, the college integrates cross cutting issues like Gender, Environment and Sustainability, Human Values and Professional Ethics through curricular, co-curricular and extracurricular activities organized in the college.

Gender Sensitization

Gender sensitization aims to raise awareness about gender equality.

It promotes respect for individuals regardless of their gender.

The college organizes street plays and seminars on women's empowerment to break gender stereotypes. These activities have successfully sensitized students and the community.

Environment and Sustainability

The college emphasizes environmental awareness.

It teaches the importance of preserving our environment and sustaining life on Earth.

A course in Environmental Awareness is offered to highlight environmental issues.

Students engage in field projects and assignments related to environmental conservation. Workshops with experts are conducted to guide students in environmental conservation.

The college promotes eco-friendly practices such as reducing plastic usage, planting trees, conserving water, vermi-composting, and minimizing paper usage in offices.

Human Values

The college instills universal human values like truth, righteousness, peace, love, and non-violence.

These values relate to physical, intellectual, emotional, and spiritual aspects of human life. Lectures by experts cover topics such as human rights, social responsibilities, democracy, and mutual respect.

The goal is to foster a better human society by nurturing these values in students.

Professional Ethics

The college and the affiliated university have established a code of professional ethics. This code guides

members in upholding ethical principles in their roles.
It sets standards for personal and social behavior.

Plastic free earth

Plantation of trees /Awareness about hazards of plastic Water conservation Vermi-compost / eco-friendly disposal of waste adopting nature friendly behaviour Minimal use of paper in the office

2.2 Student Teacher Ratio

2.2.1

Student – Full time Teacher Ratio
(Data for the latest completed academic year)

Response: 60.54

2.3 Teaching- Learning Process

2.3.1

Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences and teachers use ICT- enabled tools including online resources for effective teaching and learning process

Response:

The college makes an attempt to focus on experiential learning. The focus of teaching is mainly on practical use of knowledge and skills to real-life experiences. It helps in increasing the learner's knowledge and develops competence in various skills. The learners actively reflect on that experience through individual thinking, group discussion, questioning or writing assignments or journals. The students participate in activities like group discussions, debates, class presentations, brainstorming etc.

Participative learning : After every activity the teacher encourages the participants to take part in a discussion where she/ he is supposed to relate his/her experiences. The student participants are expected to work to find a solution individually and together as a team, and suggested to communicate and learn from each other in order to be successful. The students are not expected to be just passive learners but they need to actively participate in the learning process.

Experiential learning is basically learning by doing. Group discussions, interactive teaching, debates, class presentations, the field visits, village surveys, workshops, industrial visits and student seminars are regularly organized to offer the experience of active and participative learning. The skill development programmes and skill oriented courses mainly focus on hands-on training and experiential learning. The students are given assignments where they have to critically think about the topic and find solutions to the problems.

Student-centric methods and participative learning is an important part of curriculum implementation and enough care is taken to make experiential and participative learning effective.

The use of ICT in the classroom is very important and useful as it offers a number of opportunities for teachers and students to use new technologies and techniques for effective teaching and learning. The use of power point presentations helps the students to get engaged in the learning process actively and create interest in their personal learning. By integrating ICT into the classroom, students are assisted to develop their ability to learn more effectively, cooperate with each other, and explore the world around them.

The institution has installed LCD Projectors and Computer Lab for the use of ICT in teaching learning. The use of computers, LCD Projectors and the internet has proved to be very useful in enhancing the quality of education.

The use of ICT has proved beneficial in the following ways:

- Increases the motivation and interest of the students in the subject/topic Develops independent learning among the students
- Brings creativity in teaching and learning
- Develops collaborative and team work
- Offers new way of teaching the subject
- Brings variety in content and presentation
- Makes teaching-learning interactive and student centric Develops reference skills and brings current knowledge in class Increases student engagement in teaching and learning activities

2.4 Teacher Profile and Quality

2.5 Evaluation Process and Reforms

2.5.1

Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient

Response:

Students are informed about the evaluation pattern during the orientation programmes/ induction programmes arranged at the beginning of the academic year. The Principal and all faculties of the college guide the students regarding the internal assessment, question paper patterns and university examinations.

The circulars received from the university in this regard are communicated to the faculty members and administrative staff from time to time and are also displayed on the notice boards for students. The internal assessment for semester end examination and credit-based courses is very transparent and robust. The attendance sheets of the students appearing for such internal term end examinations, home or other internal tests assignments and continuous assessment sheets are maintained and the students' grievances are also addressed quickly and transparently.

The examination committee is constituted every year to coordinate the internal and external examination activities and communicate to the students, teachers and administrative staff any information regarding examinations.

For effective understanding of the evaluation process, the faculty members give class-wise/ course-wise instructions about unique features of internal/external evaluation of that course. Changes in schedules, patterns, methods if any, are immediately brought to the notice of the students through notice boards, messages and website notifications and also through classroom interactions by the subject teachers. Internal examination schedule is displayed on notice boards in advance.

The internal assessment mark lists are displayed on the notice boards. The subject teacher briefs the students in the classroom about their attendance and performance in the internal examinations. It is a practice of the college to show internal examination answer books to students if demanded. Students are free to interact with the teachers to resolve their grievances if any, regarding the assessment.

Grievance Redressal System:

At Institute level:

The faculty distributes evaluated answer scripts of assignments to students and any clarifications or grievances are addressed by the concerned faculty within a period of 3 days. The internal marks are then displayed on notice board. If any discrepancy is brought to the notice, the concerned faculty will resolve it and the necessary corrective action is initiated. If a student is not satisfied with the marks awarded even after resolved by the faculty, student may represent same to the principal.

At University level:

Students can express grievances by applying for the following evaluation procedure:

Exam Form Filling: It is sometimes observed that while filling the online exam forms of the subjects offered by the students are not correctly reflected on the screen in such cases the university provides 3 Days' time to the institute to submit such grievances of the students to the students to the university and get redressed observed anomalies.

Correction in Name on Hall Ticket: In couple of cases, it happens that the Hall Tickets issues to the students do not carry the correct name of student concerned. In such cases the university gives 7 Days' time to get the hall ticket corrected through the institute.

Re-valuation &Recounting: If student is not satisfied with the marks awarded, they can apply for recounting within a week from the declaration of result through the office at the institute. The received grievances are submitted to university by the institute along with prescribed fees recovered from the students. The university declares time frame every year for submission of marks related grievances and declaration of results.

2.6 Student Performance and Learning Outcomes

2.6.1

Programme Outcomes (POs) and Course Outcomes (COs) for all Programmes offered by the institution are stated and displayed on website

Response:

Our college is affiliated to Rashtrasant Tukdoji Maharaj Nagpur University, Nagpur and follows the university curriculum and examination schedules. College offers under-graduate programs only. The college prospectus gives details of the programs and courses offered. At the beginning of each academic year, faculty members prepare course files that outline the Course Objectives, Course Outcomes, modules, reference material, teaching plan and credits. Students are informed about the syllabus, examination pattern and expected outcomes of the courses during the induction program and lectures.

Programme Outcomes (POs): The POs are the broad statements that define the knowledge, skills, and abilities that students are expected to acquire by the time they complete a particular programme. The college ensures that the POs for each programme offered by the institution are clearly stated and prominently displayed on its website. These outcomes are designed in alignment with the relevant accreditation bodies, industry requirements, and societal needs.

The POs serve as a guiding framework for the curriculum design, pedagogy, and assessment strategies of the programmes offered by the university.

Course Outcomes (COs): The COs are the specific statements that describe the knowledge, skills, and abilities that students are expected to acquire from each individual course within a programme. MG College ensures that the COs for each course offered as part of its programmes are clearly stated and made available on its website. These outcomes are designed to be in line with the corresponding POs and provide a clear understanding of the learning objectives of each course. The COs are formulated by the faculty responsible for teaching the course, in consultation with the relevant stakeholders. They are designed to be measurable, observable, and achievable, and are aligned with the learning outcomes of the programme as a whole.

The COs serve as the basis for designing the curriculum, developing teaching materials, and designing assessments for each course.

Evaluation of POs and COs: MG College has a robust system in place to evaluate the attainment of POs and COs by its students. The college employs a variety of assessment methods, such as examinations, assignments, projects, practicals, internships, and other forms of assessments, to evaluate the learning outcomes of the students. The assessment methods used are aligned with the COs and POs, ensuring that the students are evaluated on their ability to demonstrate the expected knowledge, skills, and abilities.

The assessment results are analyzed and reviewed periodically to assess the level of attainment of the POs and COs by the students. This feedback is used for continuous improvement of the curriculum, pedagogy, and assessment strategies.

2.6.2

Attainment of POs and COs are evaluated.

Explain with evidence in a maximum of 500 words

Response:

Our College follows a systematic and evidence-based approach to evaluate the attainment of Programme Outcomes (POs) and Course Outcomes (COs) for all its programmes. The college employs various assessment methods, feedback mechanisms, and review processes to ensure that the POs and COs are effectively met by the students.

Assessment Methods: The institute uses a diverse range of assessment methods that are aligned with the COs and POs and include examinations, assignments, projects, practicals, internships, presentations, and other forms of assessments.

The assessment methods are designed to measure the knowledge, skills, and abilities that are expected to be attained by the students as per the POs and COs.

These assessments are conducted at regular intervals during the course of the programme to track the progress of the students and evaluate their learning outcomes.

Feedback Mechanisms: IQAC has channelized efforts towards making “quality” the defining element of higher education in India through a combination of self and external quality evaluation, promotion and sustenance initiatives and in this endeavor has devised a mechanism of collecting regular feedback from students, parents, alumni and other stakeholders which has been used, analyzed deeply for planning and executing the following improvement/developmental plans to assess the attainment of POs and COs. Feedback mechanisms such as surveys, focus groups, and reviews are used to collect input on the effectiveness of the programmes and courses in achieving the intended outcomes. This feedback is considered valuable in identifying areas of improvement and making necessary changes to the curriculum, pedagogy, and assessment.

Review Processes: The college has a robust review process in place to periodically evaluate the attainment of POs and COs. The faculty members responsible for teaching the courses, along with the program coordinators and other stakeholders, review the assessment results, feedback from various sources, and other relevant data to assess the level of attainment of the outcomes.

This review process helps in identifying strengths and weaknesses and making necessary changes to improve the attainment of POs and COs. Based on the findings of the review, necessary changes are made to the curriculum, pedagogy, and assessments to ensure continuous improvement.

This systematic and evidence-based approach evaluates the attainment of Programme Outcomes (POs) and Course Outcomes (COs) for all its programmes which reflects the institute’s commitment towards providing quality education

3.2 Innovation Ecosystem

3.2.1

Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident

Response:

MG College is committed to creating a robust ecosystem of knowledge and learning that is conducive to research and innovation and ensures that the education its students receive is not distanced from their cultural and social values.

Besides, the institute has its highly active research and development committee, functioning under the IQAC, which pursues research and innovation independently and in collaboration with outside experts and industry specialists.

The research and development committee and IQAC has been actively involved in organizing IPR workshops, IPR awareness programmes and research and Innovation Lectures on “the significance of IP in academia for spreading awareness about IPR. The IQAC of MG College has also taken keen initiatives towards enhancing knowledge in this area and has been regularly organizing a number of Research and IPR lectures and seminars.

As an initiative for the creation of research aptitude and critical thinking approach, 11 workshops were organized on Research Inspiration, Research Methodology and Research Orientation during assessment period.

Student Innovations: Our students have actively participated in innovation challenges, workshops on entrepreneurship development hackathons, and entrepreneurial competitions, showcasing their creativity and problem-solving skills.

Community Engagement: We have extended our innovation ecosystem to the local community through outreach programs, knowledge-sharing events, and technology transfer initiatives. This has contributed to the socioeconomic development of the region.

As part of the curriculum, college offer courses that enhance their students' knowledge of Indian society and culture. Outside of the curriculum too, the College ensures that students are provided avenues to learn more about Indian Knowledge Systems through frequently held seminars, talks, and workshops. The College regularly hosts speakers and experts knowledgeable in Indian cultural and social thought.

College also offers Value Added Programs which are offered in a hybrid (both offline and online) mode, which focus on Indian Knowledge Systems.

3.4 Extension Activities

3.4.1

Outcomes of Extension activities in the neighborhood community in terms of impact and

sensitizing the students to social issues for their holistic development during the last five years.

Response:

Mahatma Gandhi Arts & Commerce College recognizes that the true aim of education extends beyond the classroom, encompassing the development of knowledge, skills, and a profound sense of social responsibility among our students. We believe that an understanding of social issues, diversity, and the needs of local communities is integral to nurturing responsible citizens who contribute to the wellbeing of society. To achieve this, we have proactively engaged in a range of outreach and extension activities during the assessment years 2018-19 to 2022-23, in alignment with NAAC's emphasis on societal development through educational institutions.

Extension Activities and Societal Engagement: During this assessment period, our institution has demonstrated a strong commitment to societal development through the following outreach and extension activities:

1.Voter Awareness Programme: Recognizing the pivotal role of informed voting in a vibrant democracy, our National Service Scheme (NSS) volunteers collaborated with local government authorities to organize voter awareness rallies in our town and adopted nearby villages. This initiative aimed to sensitize students, who are new voters, about the significance of their voting rights, thereby promoting democratic values within our community. The College also organizes registration drive for new voters in the college.

2.Blood Donation Camps: In conjunction with the local blood bank, our NSS department has Extension Cell have annually organized blood donation camps on the occasion of our college foundation day as well as on the Birth anniversary of late Arvindbabu Deshmukh. These camps have encouraged active participation from our students and staff, fostering a culture of voluntary blood donation. Our efforts in this regard have been recognized with a certificate of appreciation from the blood bank.

3.HIV/AIDS Awareness: NSS volunteers have actively engaged in awareness rallies focused on HIV/AIDS. Additionally, we have hosted lectures by medical experts on campus to disseminate knowledge about HIV/AIDS and promote health awareness among our students.

4.Tree Plantation and Special Camps: Our NSS volunteers have played a vital role in environmental conservation through on-campus and off-campus tree plantation initiatives. We have also conducted health awareness campaigns, advocated water conservation, and launched anti-alcohol and de-addiction drives, thus contributing to sustainable rural development.

5.COVID-19 Pandemic Response: During the COVID-19 pandemic, we acted swiftly to support our community. We organized COVID-19 testing camps in collaboration with the local government, facilitating RT-PCR and Rapid antigen testing. Furthermore, we conducted vaccination drives for our college staff and students, ensuring their safety. To raise awareness about the virus and preventive measures, we organized online awareness programs and distributed masks, reinforcing our commitment to public health.

Where societal development is a paramount concern, these outreach and extension activities underscore our institution's dedication to instilling social responsibility, ethical values, and citizenship virtues in our students. We firmly believe that education transcends the boundaries of textbooks and classrooms, and it

is our responsibility to empower our students to become proactive agents of positive change in society. Our efforts align with NAAC's vision of promoting holistic education that serves the broader societal interest.

3.4.2

Awards and recognitions received for extension activities from government / government recognised bodies

Response:

MG College is committed to the holistic development of its students, emphasizing the redirection of their energy towards addressing real-life issues faced by the common man and society at large. To achieve this objective, the institution has established vibrant student clubs that serve as active student bodies, providing a platform for students to engage in a wide range of co-curricular, extra-curricular, and outreach activities. These student clubs facilitate direct interaction between our students and society, with a strong focus on creating awareness and sensitizing students to local social challenges. Our institution actively collaborates with local academic, industrial, and governmental bodies to offer immersive learning experiences to our students.

Highlights of Activities: Our student clubs play a pivotal role in fostering student engagement with society. The following student clubs, in particular, provide avenues for direct interaction with the community:

1.Sensitization and Awareness: Our students are actively involved in sensitization and awareness campaigns addressing local social challenges. These initiatives aim to instill a sense of responsibility and empathy among our students.

2.Collaboration: We collaborate with various local governmental, semi-governmental, and non-governmental organizations (NGOs) to facilitate a wide range of programs. These collaborations enable our students to participate in government-led activities such as Swach Bharat Abhiyan, Beti Bachao Beti Padhao Campaign, Tree Plantation Programs, World Health Day, World Menstrual Hygiene Day, World Human Rights Day, National Youth Day, and more.

3.Recognition: The active participation of our students and colleges in these social and extension events has been recognized through appreciation letters and certificates of awards received from various organizations.

List of Awards and Recognition :

Here is a list of some of the notable awards and appreciation letter recieved by college conducted during

the assessment period:

A. Awards

Year	Name of the Award	Awardee

Criterion 4 - Infrastructure and Learning Resources

4.1 Physical Facilities

4.1.1

The Institution has adequate infrastructure and other facilities for,

- teaching – learning, viz., classrooms, laboratories, computing equipment etc
- ICT – enabled facilities such as smart class, LMS etc.

Facilities for Cultural and sports activities, yoga centre, games (indoor and outdoor), Gymnasium, auditorium etc (Describe the adequacy of facilities in maximum of 500 words.)

Response:

The institute possesses a well-developed infrastructure which fulfills the requirements stated by affiliating university and other statutory bodies to fulfill the needs of all stakeholders.

- The Institute has a provision to prepare an 'Auditorium' in playground at the time of the annual Gathering and other events.
- Well-furnished, spacious, ventilated and illuminated classrooms, computer laboratory, tutorial rooms and other student support facilities as per University requirements.
- The Institute has sufficient classrooms for efficient teaching–learning process and the majority of classrooms are equipped with ICT facilities like LCD Projectors and Wifi.
- Administrative Office, IQAC Room and NSS has individual rooms for efficient functioning. Separate girls and boys common rooms are available on campus
- Separate toilets for staff and students
- Support and safety facilities like continuous power backup, fire extinguishers, water coolers with water purifier, CCTVs at key locations are available.
- The institute has green landscaping with lawn, garden etc.
- In-house housekeeping staff is appointed to maintain cleanliness in the campus.
- Entire campus has been made wi-fi enabled.
- College provides sports facilities for outdoor games as well as indoor games.
- The college has a big playground to provide outdoor sports facilities like volleyball, Woodball, Khokho, Shotput, Throwball, Fencing, kabbadi and cricket.
- Indoor Sports facilities like chess, carrom is available.
- The college has well equipped gymnasium that provides facilities for good health and fitness. First Aid box is available at NSS room and in Sports Room.
- Cultural activities are organized under the guidance of the co-ordinator appointed for the cultural committee. Refreshments are provided to students and staffs during festival celebrations.

4.2 Library as a Learning Resource

4.2.1

Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students

Response:

MG College takes great pride in maintaining a well-equipped and technologically advanced library that plays a pivotal role in supporting the academic and research needs of our faculty and students. Our library is automated with a state-of-the-art Integrated Library Management System (ILMS) to ensure efficient and seamless access to a wide range of resources. We have made substantial investments in acquiring both physical and digital resources, ensuring that the library caters to diverse learning preferences and research requirements.

Facilities and Resources in the Library:

Library Software:

Our library is powered by a 1 library software system, which includes modules for Acquisition, Circulation, Patrons, Reports, Tools, Cataloguing, and Authorities. This software is designed to streamline library operations, enhance user experience, and facilitate effective management of library resources.

- Acquisition: We utilize software for streamlined acquisition processes, enabling the efficient procurement of books and resources.
- Circulation: The circulation module facilitates the issue and return of library books, ensuring a smooth borrowing experience for users.

- **Patrons:** This module manages user records, including student and faculty profiles, lending privileges, and user history.
- **Reports:** Our library software generates comprehensive reports on library usage, acquisitions, and resource availability, aiding in data-driven decision-making.
- **Cataloguing:** The cataloguing module ensures that all library materials are accurately cataloged and easily searchable.
- **Authorities:** This module maintains authority records, enhancing data consistency and accuracy.

1.Printed Books: The library boasts an extensive collection of printed books covering various disciplines with 4917 titles and 10754 total books. These books are carefully selected to align with the academic curriculum and research interests of our faculty and students.

2.E-Books: To keep pace with the digital era, we have curated a comprehensive collection of e- books, providing easy and convenient access to digital reading materials. This collection encompasses a wide array of subjects, ensuring that learners have access to up-to-date information.

3.National and International Journals: Subscriptions to both national and international journals have been diligently maintained, offering a wealth of research articles and scholarly publications. Faculty and students can access the latest research findings and stay current with developments in their respective fields. Currently we have 1 international journals, 05 national journals, 05 magazines and 05 newspapers.

4.Reading Room: The library includes a spacious and comfortable reading room, where students and faculty can engage in focused study and research. Two reading room is equipped with 50 seating capacity and ample natural light to create an ideal environment for scholarly pursuits.

5.Book Bank Facility: Recognizing the financial constraints of some students, we offer a book bank facility where textbooks are loaned to eligible students for the academic year. This initiative ensures that all students have access to essential course materials.

6.Book Exhibitions: We regularly organize book exhibitions, where renowned publishers showcase their latest publications. These exhibitions provide an excellent opportunity for students and faculty to explore and purchase relevant academic materials.

7.Library Orientation: To maximize the utilization of library resources, we conduct library orientation programs at the beginning of each academic year. These sessions familiarize new students with library services, resources, and digital tools.

4.3 IT Infrastructure

4.3.1

Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection

Describe IT facilities including Wi-Fi with date and nature of updation, available internet bandwidth within a maximum of 500 words

Response:

MG College places a strong emphasis on providing state-of-the-art IT facilities to support both academic and administrative functions. Our commitment to staying current with technology is reflected in the frequent updates and enhancements made to our IT infrastructure, ensuring that it remains robust and responsive to the evolving needs of our students and staff.

IT Facilities:

Computer Labs: The college maintains well-equipped computer labs distributed among various departments. These labs are equipped with 60 computers configured to meet the latest standards, facilitating a seamless digital learning environment.

Internet Connectivity: To ensure uninterrupted access to online resources and support academic processes, the college provides high-speed internet connectivity with a bandwidth of 100 Mbps. with 05 wifi routers in the campus.

Printers and Scanners: 13 new multi-functional printers have been added to our facilities, enhancing our capacity for document management and printing. Additionally, we have 04 scanners, which aids in digitizing content.

CCTV Surveillance: The college premises are under 16 CCTV cameras, ensuring the security and safety of our students, staff, and infrastructure.

Wi-Fi Connectivity: Wi-Fi facilities have been thoughtfully implemented throughout the college premises, supported by 05 Wi-Fi routers. This Wi-Fi infrastructure facilitates internet access, allowing users to connect their devices for academic and research purposes.

Key Features:

E-Governance System: The college has implemented an E-Governance system using ERPs (Enterprise Resource Planning) in administrative offices, exam departments, and the library. These systems are accessible to both faculty and students, streamlining administrative and academic processes.

Audio-Visual Equipment: Our IT facilities include LCD projectors, which are employed to enhance the effectiveness of teaching and learning. These tools contribute to interactive and engaging classroom experiences.

Digital Library Section: Within the library, we have established a dedicated digital section with high-speed internet connectivity. This section empowers students and faculty to access a wide range of digital resources, including e-journals, e-magazines, e-newspapers, and educational videos.

Maintenance of IT Facilities:

We prioritize the maintenance of our IT facilities to ensure their optimal performance. We have engaged

technicians from external agencies to maintain our IT infrastructure, including computers, LCD projectors, printers, scanners, and other peripherals. We have established Annual Maintenance Contract (AMC) agreements with service vendor to guarantee that all maintenance work is carried out promptly and efficiently. Moreover, we commit to an annual schedule of software updates and computer upgrades to keep our systems current and secure.

At MG College, our up-to-date IT facilities and robust internet connectivity underscore our dedication to providing a technologically advanced learning environment that supports the academic and research pursuits of our students and faculty. We recognize the importance of staying at the forefront of IT advancements to meet the evolving demands of higher education in the digital age.

5.4 Alumni Engagement**5.4.1**

There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Response:

MG College has organized Alumni Meets regularly and discussed issues like enhancement in placement, industrial internship were addressed. The institute is also constantly in contact with alumni. All scientific, cultural, extracurricular and notable achievements are being communicated to the alumni on social media to connect and enhance their interaction.

Every year the institute conducts the Alumni Meet for interaction and exchange of knowledge base acquired by passed out students working in various fields and sector of Indian economy.

Alumni contribute and assist institute for-

1. Conduction of Personality Development Programs
2. Career Counselling
3. Society Institute Interaction
4. Placement Assistance
5. Study Tour/Industry Visits
6. Project Assistance for final year students etc.

Apart from the above non-financial agenda, during the recent alumni meeting it has also been decided to

assist and help the institute by means of financial inclusion as per willingness of the individuals and to form a registered alumni association of the institute. The alumni of the college has decided to have a registered alumni association to effectively work towards the development of the college.

Criterion 6 - Governance, Leadership and Management

6.1 Institutional Vision and Leadership

6.1.1

The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

Response:

MG College, an integral part of the VSPM ,(Vdhya Shikshan Prasarak Mandal,Academy of Higher Education), exemplifies the spirit of democratic governance and effective leadership in pursuit of its overarching vision and mission. The institution, situated in Nagpur, is firmly committed to catering to the educational needs of the marginalized and underserved sections of society while adapting to the evolving landscape of higher education, as in the National Education Policy (NEP) 2020.

Alignment with Vision and Mission: The college operates in harmony with the core philosophy of the parent institution, VSPM. This philosophy encompasses a democratic spirit that permeates all facets of the college's activities and practices. The institution's vision and mission underscore its dual objectives: attending to the needs of the most disadvantaged segments of society, such as the downtrodden, impoverished, and marginalized, while remaining agile and adaptable to new challenges in higher education to womens, particularly in the context of NEP 2020.

Effective Leadership and Governance Practices: The institution demonstrates effective leadership through a decentralized decision-making structure that emphasizes autonomy and responsibility. At the commencement of each academic session, the Principal convenes a meeting with the teaching and non-teaching staff to foster a culture of discipline, quality, and transparency, which are seen as key drivers of the institution's holistic growth.

Decentralization: Heads of the Departments are granted significant autonomy to discharge their duties efficiently, aligning with the philosophy of participative management and decentralization. Various working committees are constituted by the Principal, with committee chairs bearing responsibility for organizing activities within their purview. This approach promotes ownership and accountability among staff members.

Participatory Management: A culture of participative management is embedded in the institution's administrative ethos. Administrative and teaching staff collaborate closely to organize academic and extension activities. Statutory committees further support the governance structure, facilitating collaboration and decision-making.

College Development Committee (CDC): In accordance with the Maharashtra Public Universities Act, the College Development Committee (CDC) is constituted, featuring a governing body or management representative as its Chairman. The CDC includes experts and peers from diverse fields, fostering community engagement and participation. Teachers and non-teaching staff are also nominated or elected to the CDC, ensuring a balanced representation. This democratic approach empowers teachers in

institutional decision-making, while the management remains committed to upholding quality, discipline, and transparency.

Student Involvement: Students are encouraged to participate in institutional governance through representation on various bodies and committees. Additionally, the appointment of key academic positions, such as the College Exam Officer, NSS Programme Officer, Extension Activity Cell, and Student Development Officers, is carried out in accordance with statutory regulations.

Collective and Participatory Approach: MG College embraces a collective and participatory approach to governance, involving all stakeholders in the policymaking process. Authority is delegated to the Principal, who further delegates it to various levels of functionaries within the college. Key institutional figures, including the IQAC Coordinator, Department Heads, Committee Chairs, administrative staff, and student representatives, collaborate as a team. This collective effort is underpinned by a shared commitment to realizing the institution's vision, mission, and objectives.

This approach is visible not only in its commitment to NEP 2020 but also in its sustained institutional growth, decentralization of responsibilities, active participation in governance, and the formulation of short-term and long-term Institutional Perspective Plans.

6.2 Strategy Development and Deployment

6.2.1

The institutional perspective plan is effectively deployed and functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules, and procedures, etc

Response:

MG College adheres to a well-structured framework of governance that ensures the effective deployment of its institutional perspective plan while fostering efficient functioning of its various bodies. This approach ensures the alignment of the college's strategic goals with its operational practices, thus creating a conducive environment for continuous growth and improvement.

Leadership and Management Role: The college management plays a pivotal role in providing the necessary human resources, both teaching and non-teaching staff, and assumes responsibility for the overall development of the institution. This responsibility extends to the formulation of general quality guidelines that cultivate a favorable learning environment, emphasizing academic excellence.

Principal's Role and Responsibilities: As the head of the college, the Principal holds ultimate responsibility for the smooth functioning of the institution. The Principal is instrumental in guiding faculty members in crafting academic teaching plans, academic calendars, and co-curricular, extra-curricular, and cultural activities at the onset of the academic year. These plans are executed with precision under the Principal's direction. To facilitate effective governance, the Principal assembles

various committees comprising faculty members, students, and non-teaching staff. Moreover, the

Principal maintains proactive communication and relationships with stakeholders to foster college development.

Adherence to Affiliation Norms: MG College is affiliated with the Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU). The college strictly follows the statutory norms and guidance set by RTMNU, both in academic and administrative domains. The university conducts AAA through its Local Enquiry Committee (LEC), evaluating academic and administrative processes. The positive outcome of the LEC and AAA report leads to the continuation of affiliation for subsequent academic sessions.

Transparent Appointment Procedures: The appointment procedures for teaching and non-teaching staff are meticulously carried out under the guidance of Vidya Shikshan Prasarak Mandal. After receiving information about vacant positions from the Principal, the management scrutinizes this information. Following necessary permissions from the affiliating university and the State Government of Maharashtra, advertisements are published in newspapers. The recruitment process adheres strictly to the regulations set by UGC and the Government. The management's reputation for job security, transparency, and supportive work environment ensures the attraction and retention of qualified faculty and staff.

Institutional Perspective Plan: The college develops a comprehensive institutional perspective plan by incorporating suggestions from faculty members, committees, and stakeholders. This plan is finalized with the Principal's guidance, focusing on infrastructure development, resource enhancement for the library and research facilities, introduction of new programs, staff training and development, and student-focused initiatives like competitive examination coaching and skill development programs.

Resource Mobilization: To ensure the effective execution of the perspective plan, the college seeks external funding from agencies such as the UGC. These funding requests are carefully prepared to support the college's improvement initiatives and aligned with the objectives outlined in the perspective plan.

M.G. College governance approach highlights the seamless integration of its institutional perspective plan with its operational framework. The leadership's proactive stance in effective management, adherence to affiliating norms, transparent appointment procedures, and efficient resource mobilization underscores the institution's commitment to quality education and growth.

6.2.2

Institution implements e-governance in its operations

1. Administration
2. Finance and Accounts
3. Student Admission and Support
4. Examination

Response: A. All of the above

6.3 Faculty Empowerment Strategies

6.3.1

The institution has performance appraisal system, effective welfare measures for teaching and non-teaching staff and avenues for career development/progression

Response:

Performance Appraisal for Teaching Faculty:

- Faculty performance is evaluated using a Performance-Based Appraisal System (PBAS) in alignment with UGC and university guidelines.
- The appraisal assesses faculty performance across teaching, learning, evaluation, curricular development, extension activities, professional development, and research contributions.

Confidential Reports (CR) for Non-Teaching Staff:

- Non-teaching staff performance is evaluated using Confidential Reports (CR) in accordance with the norms of the Government of Maharashtra.
- The Principal assesses non-teaching staff performance and communicates the findings to the parent institution.
- Management decisions on non-teaching staff promotions are based on these confidential reports.

Welfare Measures for Teaching Staff:

- Motivation and support for faculty pursuing higher education.
- Encouragement to attend workshops, conferences, seminars, short-term courses, and faculty development programs.
- Faculty are encouraged to become members of professional bodies and participate in their activities.
- Support provided to faculty seeking research grants for projects.
- Promotion and use of ICT tools in teaching and learning.
- Promotion of research paper publications in reputed journals and conferences.
- Comprehensive COVID-19 precautions, including wellness drives, RT-PCR and Rapid Antigen Tests, and vaccination drives.
- Provision of counseling and psychological guidance during the pandemic.
- Health check-up camps organized for staff.

Welfare Measures for Non-Teaching Staff:

- Training programs designed to enhance the skill set of non-teaching staff.
- Encouragement and active involvement in event organization.
- Leaves provided as per University norms, including maternity leave for female faculty and staff. Encouragement and support for non-teaching staff to participate in training programs.

General Welfare Facilities and Schemes for Both Faculty and Staff:

- Group insurance schemes for comprehensive coverage.
- Various types of leaves, including casual, earned, medical, and vacation leaves, in accordance with University norms.
- Maternity leave provisions for female faculty and staff.
- Opportunities and encouragement for training programs.
- Skill development programs for non-teaching staff.
- Proactive measures taken during the COVID-19 pandemic, including wellness drives and health check-up camps.
- Counseling and psychological support for staff during challenging situations.

These measures and facilities illustrate the institution's commitment to performance evaluation, staff welfare, and career development for both teaching and non-teaching staff, fostering a holistic and supportive work environment.

6.4 Financial Management and Resource Mobilization**6.4.1**

Institution has strategies for mobilization and optimal utilization of resources and funds from various sources (government/ nongovernment organizations) and it conducts financial audits regularly (internal and external)

Response:

MG College has established effective mechanisms for resource mobilization and the prudent utilization of funds from diverse sources, including government and non-government organizations. Additionally, the institution conducts regular financial audits, both internally and externally, to ensure transparency and accountability in financial matters.

Resource Mobilization Strategies:

Scholarships: The institution actively assists students in availing government and non government, ensuring that eligible students benefit from financial support for higher education. **Fee Collection:** Fees are collected from students in accordance with the fee structure prescribed by the affiliating university. Special provisions are made for collecting fees under skill-based short-term courses.

Fundraising Efforts: The college proactively reaches out to individuals and philanthropists, seeking their support for various initiatives. Additionally, the alumni network is engaged to garner financial and non-financial support.

Interest on Fixed Deposits: Interest earned on fixed deposits is judiciously utilized to support various institutional activities and projects.

Resource Utilization Procedure:

1.Planning: The Heads of Departments (HODs) convene faculty meetings to collaboratively finalize the annual budget. This budget includes provisions for co-curricular and extracurricular activities.

2.Budget Formulation: The HODs submit their respective annual budgets to the Principal for approval. The Principal consolidates these budgets into a single institutional budget, which is then submitted to the Management for final approval.

3.Allocation: The Management allocates funds as per the identified needs and proposed expenses. If there are no discrepancies, the budget is approved, and funds are disbursed, including provisions for unforeseen expenses.

4.Expenses: The sanctioned funds are utilized for various purposes such as laboratory development, book procurement, subscriptions to national and international journals, staff salaries, and maintenance activities. In cases of unplanned activities like seminar attendance or technical competitions, faculty members prepare requests with supporting documents, and in exceptional cases, may present their proposals to the Management for additional funding.

5.Audit: The Accounts Section conducts an audit, ensuring that expenditures align with the sanctioned budget. Both internal and external audits are conducted annually to guarantee proper fund utilization, as per the Management's allocation.

Audit Processes:

Internal Audit: The institution conducts continuous internal financial audits, primarily managed by the accountant. These audits serve as an ongoing assessment of financial records, allowing for the identification and rectification of any discrepancies.

External Audit: A team of external auditors, usually a firm of Chartered Accountants, conducts annual financial audits as per the guidelines of the income tax department. These external audits ensure financial transparency and compliance with regulatory standards.

The parent trust receives the annual audit report, finalized by the Chartered Accountants, and shares it with the college for compliance. This report is deliberated upon in the College Development Committee (CDC) meetings. Following discussions with the CDC, the Principal compiles and submits the compliance report to the parent institute.

MG College employs well-defined strategies for resource mobilization and meticulous fund utilization from various sources, while maintaining financial transparency through regular internal and external audits.

6.5 Internal Quality Assurance System

6.5.1

Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

Response:

The IQAC of the MG College works towards improving and maintaining the quality of education, identifying and suggesting new ways of using teaching aids, developing suitable infrastructure, and offering suggestions for the new self-finance courses. IQAC is an effective and efficient internal coordinating and monitoring mechanism. The IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality enhancement measures to be adopted. The IQAC meets every quarterly to plan, direct, implement and evaluate the teaching, research, and publication activities in the College. The sub-committees dealing with various activities and departments implement the IQAC guidelines and report the feedback. The IQAC strives to spread quality culture through quality enhancement initiatives and best practices. Significant improvements in quality have been made by institutionalizing the following IQAC initiatives:

Strategic planning of key areas and assigning responsibilities -

1. Academic Results
2. Student Leadership Training
3. Student Soft Skills and Personality Development
4. Placement Assistance & Support
5. Faculty Development Programs/Administrative Development Programs
6. Research and Development Activities
7. Interaction with Industry

Monitoring and mentoring of academic and administrative activities. Academic inspections are carried out periodically to assess the quality of academics. The inspections involve:

1. Review of healthy academic practices
2. Mechanisms to identify and reform innovative academic practices
3. Review of departmental facilities
4. Facilitate implementation of innovative methods in the departments

5. Self-development of faculty members

6.5.2

Quality assurance initiatives of the institution include:

- 1.Regular meeting of Internal Quality Assurance Cell (IQAC); quality improvement initiatives identified and implemented**
- 2.Academic and Administrative Audit (AAA) and follow-up action taken**
- 3.Collaborative quality initiatives with other institution(s)**
- 4.Participation in NIRF and other recognized rankings**
- 5.Any other quality audit/accreditation recognized by state, national or international agencies such as NAAC, NBA etc.**

Response: A. Any 4 or more of the above

Criterion 7 - Institutional Values and Best Practices

7.1 Institutional Values and Social Responsibilities

7.1.1

Institution has initiated the Gender Audit and measures for the promotion of gender equity during the last five years.

Describe the gender equity & sensitization in curricular and co-curricular activities, facilities for women on campus etc., within 500 words

Response:

Measures for the Promotion of Gender Equity:

Admission process is carried out with utmost transparency, offering equal opportunity for students. The college constituted the following committees to provide a conducive environment:

- Grievance Redressal Cell
- Anti-Ragging Committee
- Internal Complaint Cell
- Mentor Mentee Scheme
- Employment and Career Counselling Cell

Various measures have been taken for promotion of gender equity and sensitization.

Curricular : The College offers various courses on gender equity which include topics like, Contemporary Issues of women in India, Women and Society in India, Women Psychology, Human Rights, Population growth and sex ratio, Indian Women Writers, Representation of Gender and Sexuality in Literature, Gender Budget and gender employment measures. Through these topics, the students become morally and socially aware about the importance of gender-neutral society.

Co-curricular : The College promotes gender sensitization through co-curricular activities like workshops, conferences, seminars, guest lectures, street plays, slogan competitions, wallpaper publications, poster exhibitions and counselling etc. Outreach programs for gender equity like Beti Bachao-Beti Padhao Rally and Good Touch- Bad Touch for nearby school girls, Mehndi, Rangoli, Recipe Making, flower Decoration Competitions and Fashion Show.

Facilities for Women on campus

- The College provides safe and secure environment with CCTV surveillance throughout the campus.
- Security staff and Discipline Maintenance Committee enable safety for girl students.
- Identity cards and Uniforms are made compulsory in the college premises.
- Common room facility is available for girls.
- Washrooms are provided with sanitary napkin vending and disposal machine for the safe and hygienic disposal of sanitary napkins.

- College has Counselling centre and mentoring system for students to take care of academic, emotional, social and cognitive development.

- Well-equipped sports facilities, gymnasium and yoga centre are available on campus.

- Emergency Helpline Numbers are displayed.

- Activities conducted for safety and security on campus

- Students' Discipline Committee conducts workshops and mock drills on safety during emergency situation on campus in association with Fire and Emergency services, Police and Health Department.

- Awareness programs on Human rights, Rights of women in domestic problems.

- Cyber security awareness programs are conducted.

7.1.2

The Institution has facilities and initiatives for

- 1. Alternate sources of energy and energy conservation measures**
- 2. Management of the various types of degradable and nondegradable waste**
- 3. Water conservation**
- 4. Green campus initiatives**
- 5. Disabled-friendly, barrier free environment**

Response: B. 3 of the above

7.1.3

Quality audits on environment and energy regularly undertaken by the Institution. The institutional environment and energy initiatives are confirmed through the following

- 1.Green audit / Environment audit**
- 2.Energy audit**
- 3.Clean and green campus initiatives**
- 4.Beyond the campus environmental promotion activities**

Response: C. Any 2 of the above

7.1.4

Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens (Within 500 words)

Response:

MG College is committed to fostering an inclusive environment that promotes tolerance, harmony, and awareness of constitutional values, rights, duties, and responsibilities among its diverse student body. The institution takes deliberate steps to uphold the principles of social harmony and constitutional obligations through a range of activities, celebrations, and educational initiatives.

Promoting Communal Harmony and Tolerance:

- The institution hosts a diverse student population representing various castes, creeds, and religions. Despite this diversity, MG College deliberately maintains an atmosphere of communal harmony and tolerance on its campus.
- Through curricular, co-curricular, and extra-curricular activities, the college actively practices the principle of social harmony and inclusivity.
- Festivals and special days of national importance are celebrated on campus, reinforcing the values of unity and diversity.

Constitutional Values and Obligations:

- The Indian Constitution upholds core values such as liberty, equality, fraternity, social justice, and secularism for all citizens. MG College recognizes its duty to instill these values in students through various educational avenues.
- The institution undertakes multiple activities aimed at creating awareness of constitutional obligations among students. These activities encompass curricular, co-curricular, and extension programs.
- The affiliating university's syllabus and courses are thoughtfully designed to promote communal harmony and tolerance, even in the face of cultural, linguistic, and religious diversity.
- The Dept. of Political Science conducts Exam on Indian Constitution every year. 'Sanvidhan Din' is also celebrated every year

Teacher-Student Interactions:

- Informal and formal interactions between teachers and students are essential in establishing an atmosphere of harmony and tolerance on campus.

- Faculty members play a pivotal role in conveying the message of oneness and national integration to students, reinforcing the importance of these values in daily life.

Inclusive Environment Initiatives:

Our College organizes a variety of events and initiatives to instill values that encourage responsible citizenship and promote an inclusive environment:

- Independence Day and Republic Day celebrations are observed with patriotic enthusiasm, featuring speeches on national importance, patriotic songs, and dances.
- Pledge-taking activities, in line with government directives, are regularly organized to emphasize national values.
- Integrity Pledge Day is commemorated on Sardar Vallabhbhai Patel's birthday as a symbol of unity.
- The institution conducts Swachh Bharat Campaigns to promote cleanliness awareness in the community, particularly on Gandhi Jayanti.
- Programs on human values and professional ethics are integrated into the curriculum and are regularly organized by the extension activity cell.
- Workshops focusing on awareness about human rights and values are conducted to educate students.
- Tributes are paid to Dr. APJ Abdul Kalam on his birth and death anniversaries, honoring his contributions.
- Road Safety Awareness Programs are conducted during Road Safety Week, including rallies to educate society about the importance of helmet use.
- During local, Vidhan Sabha, and Lok Sabha elections, holidays are granted to students and staff to exercise their right to vote. Awareness about voting is also disseminated in the neighborhood.

7.2 Best Practices

7.2.1

Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

Response:

Best Practice – I

Title of the Practice: Extension Activities for Social Good

Objective of the Practice:

- To promote extension activities in the neighborhood community for social development. To develop among students a sense of responsibility towards society.

Context:

- To provide the opportunities to inculcate the qualities among the students to understand social consciousness and problems of community.

The Practice:

The college conducts various activities related to environmental protection, cleanliness drive, tree plantation, education awareness, health awareness, personal hygiene, literacy, gender equality, self-defense, women empowerment, etc. Institute has NSS wing to imbibe the motto of "Not me but You".

It is observed by performing various activities in the neighborhood society, college has got appreciation by renowned government and non-government agencies in terms of awards, appreciation letters and mementos.

Best Practice – II

Title of the Practice: Soft Skill Development for 360° development of Students

Objective of the Practice:

- To give each student a realistic perspective of work and work expectations.
- To develop communication skills and presentation skills
- To inculcate the work culture, team spirit, sense of commitment and responsibility
- To help formulate problem solving skills.
- To guide students in making appropriate and responsible decisions.
- To provide opportunity to move to higher education in future.
- To integrate relevant skills into the higher education system.
- To create awareness about time management, stress management and emotional intelligence To develop skill for entrepreneurship and self-employment.

Context:

Skills and knowledge are the driving forces of economic growth and social development of a country. In rapidly growing economies like India with a vast and ever-increasing population, there is a severe shortage of highly-trained, quality skilled resources, while on the other; large sections of the population possess little or no job skills. Education should always be purposeful, growth oriented and productive. Along with academic qualifications the educational institutes are required to produce dynamic and enterprising youngsters capable of facing the changing times and taking on the toughest technical challenges.

The Practice:

Soft skills development programme is an activity for 360° development of the students, creating necessary skills for enhancing employability as well as entrepreneurial abilities of students. The activity covers lectures, work-shops and demonstrations by experts. Therefore, the experts from various fields are invited to share their experiences, ideas and skill development techniques. This motivates students for their overall development. To provide education and skill based training of consistently high standards in the realm of higher education through innovative and versatile programmes that will offer the most viable solution to the current and emerging needs of the students seeking opportunities for professional development in the crucial sectors of employment and entrepreneurship.

This activity is designed to help develop a person's communication skills, presentation skills, self-esteem, interview skills and many other life skills. It also helps to develop.

There are following context are designed.

Life Skills:

- Health and Physical Fitness Goal Setting
 - Time and Stress Management Communication Skills Listening and Speaking Interview Skills
 - Creating Effective Resume
 - Ethics and Honesty
 - Innovation and Creativity
-
- Self-Awareness and SWOT Analysis

Entrepreneurship:

- Business Plan: Concept and Elements of Business Plan Concept Introduction. Characteristics of Entrepreneurs Success and Failure's in Entrepreneurship Schemes for Entrepreneurship
- Bank Finance- Concept and Formalities
- Government of India Schemes for promoting entrepreneurship
- Emotional Intelligence, Leadership and Teamwork Problem Solving and Negotiation Skills

Digital Literacy:

- Basic Computer Skills ,
- Introduction to Internet and Digital resources for education
- Online platforms for learning and course available
- Information / Cyber Security

Evidence of Success:

The Soft Skills Development programmes have contributed significantly in developing the overall personality of the students. The student who underwent training in Soft skills has benefitted a lot from these training programmes. They got confidence to express themselves confidently. These students have

shown leadership qualities by participating and conducting co-curricular and extension activities on the campus and outside the campus as well. These students also help the faculty in conducting workshops, seminars and other capacity building activities in the college. Several students participate in Various Innovative academic, cultural and sports activities as a result of the activities under soft skill development programme.

Problems Encountered -

- The lack of exposure to students as they are the first learners in their families.
- The tribal students face the language problem as they speak tribal varieties of language at their home.
- The lack of confidence level in the students.
- Limited financial resources to conduct these activities.

Resources Required -

- Skill development center
- Computer laboratory/Language Laboratory
- Well trained Faculties
- Resource persons from various fields

7.3 Institutional Distinctiveness

7.3.1

Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

Response:

MG College is committed to providing holistic education that not only imparts knowledge but also nurtures skills, values, and a sense of responsibility among its students. The institution's distinctive performance is highlighted in several priority areas, reflecting its dedication to excellence in education and the development of well-rounded individuals.

Futuristic Learning Skills and Teaching-Learning Process: MG College places a strong emphasis on equipping students with futuristic learning skills. Recognizing the demands of the rapidly evolving modern world, the institution constantly updates its teaching-learning processes to align with these requirements. This proactive approach ensures that students are well-prepared to face the challenges of the future.

Value-Based Education and Virtuous Personalities: The college's core philosophy centers on creating virtuous, meritorious individuals who are not only academically proficient but also possess strong values and ethics. The institution strives to instill a sense of self-discipline, accountability, and respect for democratic and moral values in its students. This approach sets the foundation for the development of professional, creative, and humane individuals who are prepared to serve humanity.

Focus on Professionalism and Value-Based Education: MG College stands apart from others by its unwavering commitment to producing professional students through value-based education. This unique approach ensures that students not only excel academically but also develop a strong ethical foundation, enabling them to navigate the complexities of modern life with integrity.

Amenities and Infrastructure: The college is dedicated to providing the best amenities to enhance students' skills, both in academics and extracurricular activities. The institution's infrastructure is designed to create an optimal learning environment. Classrooms, the library, and administrative offices are carefully structured to promote academic excellence. Moreover, the college boasts extensive grounds for outdoor sports and well-equipped indoor game rooms.

Experiential Learning Opportunities: To broaden students' horizons and expose them to real-world scenarios, MG College organizes guest lectures and industrial tours throughout the year. These initiatives provide students with valuable insights into recent developments and innovations in various fields. Additionally, the institution conducts annual cultural and sports events, providing a platform for students to showcase their concealed talents.

A Commitment to Holistic Development: The institution's commitment to holistic development is unwavering. It aims to nurture every aspect of a student's personality, ensuring they are well-rounded individuals capable of excelling in various dimensions of life.

MG College distinctive performance lies in its unwavering commitment to providing holistic education that combines futuristic learning skills, value-based teaching, and an environment conducive to personal and professional growth. The institution's focus on professionalism, value-based education, and a strong infrastructure sets it apart, making it a beacon of excellence in the field of education.

MG College continually strives to empower students to become responsible, ethical, and competent individuals who can contribute positively to society and face the challenges of the modern world with confidence and integrity.

5. CONCLUSION

Additional Information :

M.G. College is a pioneering institution and has evolved over time with the tremendous efforts and leadership of the management, principal, faculty, staff and students. With the aim of developing innovative strategies in legal education, MG College is committed to providing a world class learning experience. The college is incorporating new techniques to facilitate the students to enhance their professional skills and strengthen their aptitude to face new challenges. The ICT tools and smart classrooms have made the teaching and learning process more dynamic and interactive.

The special lectures series regularly organized by college provide a congenial environment for academic progress. Apart from academic activities, the institution plays a major role in conducting various programmes to create awareness amongst its stakeholders to take up social responsibility.

Concluding Remarks :

As an important step towards fulfilling the mission and vision, IQAC is submitting the Self Study Report to the National Assessment and Accreditation Council (NAAC) towards enhancing the Quality in Academic and Administration of the Institution. The institution has maintained high standards in the process of teaching learning and evaluation. To ensure the efficacy of this process, the college functions in a variety of ways.

The college ensures that the students are admitted in a transparent manner following all statutory regulations. Further, the institution has achieved diversity in enrolment of students in terms of all classes of society and geographical locations. The college aims to provide the students with holistic education with a proper blend of formal, informal and practical training to augment their learning ability. The college provides all the required facilities for sports and recreation to ensure overall development of all students.

This self study report (SSR) is prepared as a first step towards obtaining accreditation from the National Assessment and Accreditation Council (NAAC), covering all the aspects of different criteria based on the inputs, which lays a significant importance in the enhancement of quality in academics and administration of the institution. MG College has been consistently involved in developing innovative strategies to meet legal education and its future challenges from a social perspective.

Accreditation by NAAC helps in developing innovative educational programme and boost morality. All our academic endeavours in the previous years, drive us towards to reach the goals and become conscious to achieve college vision and mission.
